Garden Basket Piecing

Fabric and cutting requirements for each Garden Basket block:

Light blue	12″ x 16″ scrap	6 B, 2 C, 2 D
Gray	12″ x 12″ scrap	1 A, 8 B, 2 C
Green	12″ x 12″ scrap	1 A, 5 B
Dark pink	4″ x 8″ scrap	3 B

Rotary cutting:

A = 6⅞″ square cut in half diagonally
B = 3⅞″ square cut in half diagonally
C = 3½″ square
D = 3½″ x 12½″ rectangle

Referring to the Unit 1 piecing diagram, right sides together, align a gray C with the end of a light blue D. Draw a diagonal line from corner to corner on the C. Stitch on the marked line. Trim excess fabric, leaving ¼″ seam allowance (Unit 1). Press the triangle open. Repeat, this time marking and stitching the C in the opposite diagonal direction (Unit 2).

Referring to the piecing diagram, join a gray A and a green A. Similarly, join B's in pairs to make 6 gray/light blue, 2 gray/green units, and 3 dark pink/green units.

Arrange the units and light blue C's in sections as shown in the piecing diagram. Join the units and patches into sections. Join the sections. TQL
