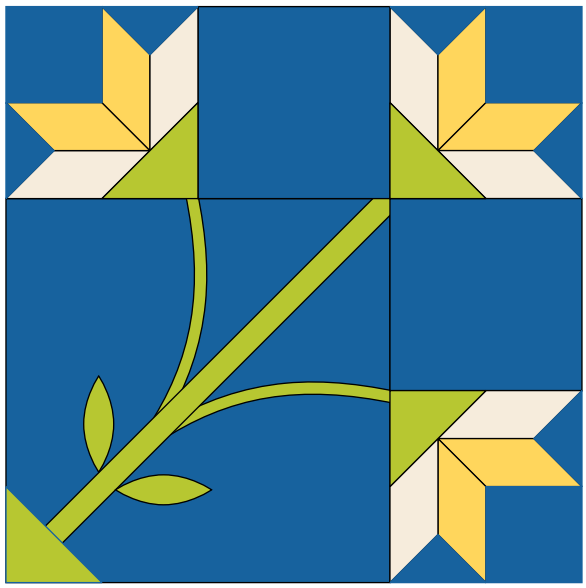
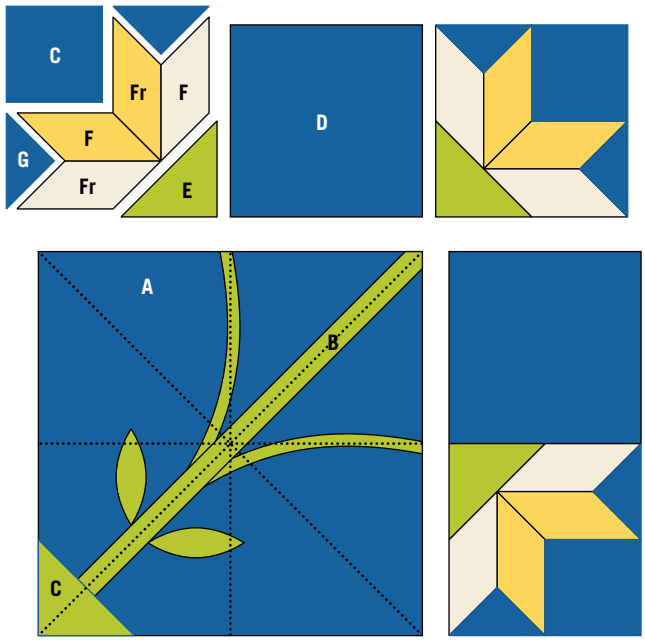
Mariposa Lily



Mariposa Lily
12″ block



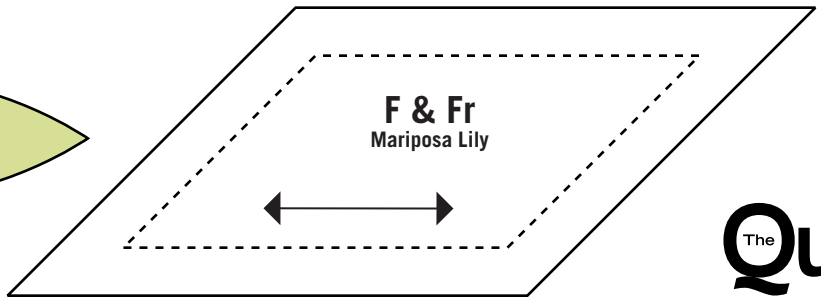
Mariposa Lily Piecing

Fabric and cutting requirements for each Mariposa Lily block

Dark blue	13″ x 18″ scrap	1 A, 3 C, 2 D, 6 G
Bright green	7″ x 15″ scrap	2 bias stems ⅞″ x 6″, 1 B, 1 C, 3 E, 2 leaves
Yellow	5″ x 8″ scrap	3 F, 3 Fr
White	5″ x 8″ scrap	3 F, 3 Fr

Patches

A = 8½″ square
B = ⅞″ x 12″ strip
C = 2½″ square
D = 4½″ square
E = 2⅞″ square cut diagonally once
F and Fr = template
G = 3¼″ square cut diagonally twice
Leaf template

Fold the A patch in half horizontally and vertically and finger press the folds. Referring to the block piecing diagram and using the folds as guides, appliqué the bias stems in place. Press under ¼″ along each long edge of B; appliqué as shown in the block piecing diagram. Draw a line from corner to corner on the wrong side of the green patch C. With right sides together, place the C on the bottom left corner of the A with the diagonal line running from top left to bottom right of the C. Stitch on the line. Trim ¼″ from the seam line; discard the excess fabric. Press open. Appliqué the leaves to the A patch.


Refer to the block piecing diagram and assemble the corner units, setting in seams as necessary. Join the corner units and D's. Join the appliquéd A and the pieced units as shown. TQL
