Windmill

Windmill Piecing

Fabric and cutting requirements for each Windmill block

Purple	11" x 11" scrap	1 A, 12 B
Navy	12" x 24" scrap	24 C, 4 D, 4 E

Patches

A = 37/8" square

B = 45/8" square cut diagonally twice

C = 25/8" square cut diagonally once

D = 33/8 cut diagonally once

E = 81/2" square cut diagonally twice

Follow the piecing diagram to join the patches in the order shown to form units. Join the units into diagonal rows. Join the rows. Trim excess fabric at the corners if necessary, being sure to leave 1/4" seam allowance. TQL
