#16F7520 – Piecing

Foundation Paper Piecing is either fun or frustration. Nina makes it simple so it makes sense to you! No more guessing where your fabric goes, you'll know exactly where to put it! You'll learn how much fun it is to get exact points, and make shapes you can't piece any other way. If you've never done paper piecing, need a refresher, or want some tips, this is the workshop to join in the fun!
