#16T6101t - Embroidery & Embellishment

Have loads of fun making this versatile bag for yourself or as a gift. The bag is smaller than a tote, but big enough to carry everything you need, from a cell phone, wallet, and keys, to a sewing project on the go. The best part is that it's all made on the serger. Learn wave flatlock, box pleats, piping, zipper insertion, and more! Your kit is cut to size and ready to sew. No advance prep is necessary. Registration for this workshop includes complimentary show admission for Thursday.
