#16T9500 - Quilting Technology

One of the most commonly overlooked but important parts of our quilts is thread! Explore the world of Aurifil threads in this informative and hands-on workshop. We'll discuss and stitch the seven weights of Aurifil, making a set of stitch samples that can be used in a resource binder. Each weight has a specific and creative use for our quilts. A trunk show of quilts made with Aurifil threads will be shown, and each participant will receive a bag of groovy Aurifil swag.
