

Sketch and Stitch: Freemotion Quilting

All Levels

Ana Buzzalino

Thursday, 8:30 am - 11:30 am

Room: 202AB

#16T9522 - Creative Crafts/Arts

In this creative and hands-on workshop, you'll learn how to bring your sketched designs to life through freemotion quilting—just like drawing on paper, but with your sewing machine. Using the design provided, you'll be guided through the process of stitching your design onto fabric using free-motion techniques.

Once the quilting is complete, we'll explore the magic of adding color with Inktense pencils. You'll learn a variety of methods to blend and activate the pigments to create beautiful, painterly effects right on your fabric.

All techniques will be clearly demonstrated, and you'll leave with a richly textured and colored quilted piece—and the skills to keep experimenting!
