Room: 101C

#16W7503 – Piecing

Fall in love with diamonds! Let's use up all those leftover strips and strings from previous projects and turn them into a fantastic quilt! Improvisationally pieced rectangles make light and dark diamonds when placed together. This results in a visually graphic layout with very little cutting and prep so you can get right to the fun. In this half-day workshop, you'll learn the technique for string piecing rectangles while making (4-8) blocks. This could be your new favorite scrap quilt!
