MACHINE**

Sashiko designs are elegant and timeless, great for both traditional and modern quilt projects. This rulerwork workshop uses grid foundations to build the framework for these classic Sashiko elements. Designs include the classic Clamshell with two variations, the Persian Tile Single and Double design, the Puzzle design, and a mastery design using the previously learned skills. Other topics include using grid stencils and Pounce pads, choosing the best threads, and making the designs fit into areas of a quilt. Basic template skills and machine setup are also included. This is a good way to get started, both designing quilted elements and learning to use templates for quilting.

Supplies:

Please bring the following items to class:

- [Basic Sewing Supplies](#)
- Rotary ruler for marking approximately (3" x 12")
- Thread snips
- Chair height may affect performance, so a seat cushion is highly recommended

*A low shank style template will be provided with the kit unless you communicate with the instructor to request a specific shank style. This style will be suitable for both low and high shank domestic sewing machines. To order a specific style of template, please email the instructor, Kate Quinn at Kate@fabrikatedquilts.com. Indicate the class name and number, the shank style you prefer, and your machine make and model. Please provide this information not later than January 10th, 2026 to be guaranteed your choice of item.
