MACHINE**

Ruler work is a great way to get accurate results with less marking, and it's fun! This workshop is an ideal way to experience rulerwork without a large investment in rulers. You only need one! You will learn how straight line rulerwork will enhance your quilts. Workshop includes a kit with a pre-printed panel (markings wash out!) and a unique ruler that makes straight line ruler work virtually fool proof! This is a great workshop for all levels of freemotion quilters, as rulerwork simplifies the process.
