

Simply Stunning Stars Quilt **Kevin Womack**

All Levels

Friday, 8:30 a.m. - 4:00 p.m.

Room #103C

#17102f - Piecing

Choose a big bold border print and create your own unique constellation that is simply stunning. Let your border print be your color guide for this fat-quarter-friendly quilt. This is the perfect place to use those fat quarter bundles that might be lingering in your stash. Learn to use specialty rulers to make simple star blocks and combine those with large print setting squares to form a star quilt that is truly out of this world. Registration for this class includes show admission for Friday.
