#17505 - Piecing

Baravelle spirals have a huge Wow! factor, yet, they are surprisingly easy to design and sew! Using RaNae's techniques, learn to draw a Baravelle spiral block, then, explore lots of ways to color them to create spirals, pineapples, baskets, and more. Along the way, you'll learn RaNae's painless paper piecing techniques. Use your spiral block in a quilt or another project. A pattern is also provided for finishing blocks into pot holders.
