

## **EQ8: Get Started Designing Nancy Roelfsema**

All Levels

Thursday, 1:00 - 4:00 p.m.

Room #202AB

**#19504 - Quilting Technology**

You will learn to navigate the workspace – from basic quilt designing, how to edit blocks to seeing how easy it is to add borders and even change colors. Discover how to print patterns, rotary cutting instructions, and foundation patterns. You will learn to design your quilt on your laptop as Nancy guides you through EQ8.

**Member: \$56**      Retail: \$70

### **Supplies:**

*Please bring the following items to class:*

- Notebook, pen, and pencil
- Laptop (with Electric Quilt 8 installed), power cord, mouse and mouse pad

**Note:** You will need to open EQ8 on your computer about a week before class to make sure the software is installed properly and validated. Please contact Nancy at, [QuiltingWithNancy@gmail.com](mailto:QuiltingWithNancy@gmail.com), if you have any questions prior to class or need tech support.

**[For EQ class requirements, click here.](#)** Please review this page before class so that you are best prepared for class.
