

EQ8: Create Appliqué Designs
Nancy Roelfsema

All Levels

Friday, 1:00 - 4:00 p.m.

Room #202AB

#19506 - Quilting Technology

It's easy to add appliqué designs to any quilt using the Electric Quilt program with it's hundreds of appliqué options. In this class, you will learn how to use the basic drawing tools and shapes in EQ, and how to edit these shapes, and start an appliqué design from scratch. You will learn to use the many editing tools in EQ including the many shapes, freehand drawing, and StarMaker tools.
