Introducing the Carnation Baltimore Album style quilt block, an impressive 18" traditional quilt block designed by Annie. This block features machine appliqué with raw edge fusible techniques, making it perfect for quilters of all skill levels due to its shallow learning curve. The Carnation block showcases smooth curves and perfect points, highlighting the beauty of the carnation flower. Annie's unique design ensures that each petal and leaf is meticulously crafted, bringing a touch of elegance to your quilt. Whether you choose to add this block to a larger quilt or finish it as a standalone piece to frame, the carnation's intricate details and vibrant design make it a standout piece that tells a story of craftsmanship and creativity.

Registration for this workshop includes complimentary show admission for Wednesday.
