

The Wonder of Curved Piecing

Lynn Wheatley

Beginner, Intermediate

Thursday, 8:30 - 11:30 a.m.

Room: Short Creek 2

#27520 – Piecing

If you are “Wondering” about Curved Piecing, then this is the Class for You! Join Lynn Wheatley for this techniques class and you will be thrilled with your new curved piecing skills. Lynn will teach you the No Stress/No Pins curved piecing methods developed by Jenny & Helen of Sew Kind of Wonderful utilizing their Wonder Curve™ Ruler. This is a great opportunity to use up some of your “Stash Fabrics” while trying a new technique or brushing up on your curved piecing skills. The class will include step-by-step instructions to create the individual curved units, assembly techniques, and tips and tricks to allow you to complete the Wonder Flutter Runner project that is included with the ruler instructions.
