#345505 - Color & Design

Learn the benefits of one-start, one-stop, continuous quilting. Save time by pre-planning for less frustration and improved confidence in your quilting. This class is based on Dorie's book, *Making Connections*, which teaches 12 connecting designs and how to use them effectively in pieced quilts, backgrounds, sashing, and borders. Her teaching style is hands-on, beginning with foundational information and then building on the foundation. This class also covers design discussion using tops brought in by students and is for all quilters!
