When you free-motion quilt, do your curves and circles look like ridged potato chips with a few bites missing? Do you have trouble quilting along your pre-marked lines? Rulers can help you stay on track! Rulers are not just for movable machines. Come spend time sitting at a stationary longarm machine and receive hands-on guidance from David learning a variety of quilting designs you can easily stitch with acrylic rulers. Quilting techniques learned on a Sit-Down Longarm can be applied when quilting on a home stationary machine. **One person per machine: BERNINA Q Series machines provided.**
