

**Curves and Transparencies****Carolina Oneto**

All Levels

Thursday, 8:30 AM - 11:30 AM

Room: Grand Gallery CD

#45T7502 – Piecing

In this workshop, you will learn various techniques while Carolina teaches you how to make a mini quilt designed from scratch. Explore Color Theory and learn how to create a Transparency effect with color and fabrics. Carolina will teach you how to cut fabrics with complex shapes and to join these curved shapes by machine.
