#45W7500 - Piecing

This dynamic wallhanging will look fabulous in any fabric combination! We will kick up the New York Beauty block with a slightly more challenging combination of piecing which uses multi-fabric pieces, and some alternating color spires. This block combines with a very simple block for an eye-catching result. Linda will show you how this will open up many more design opportunities! Throughout the workshop, Linda will demonstrate how to create an optional miniature using the scraps and cutaways from the main project.
