All Levels

Wednesday, 8:30 AM - 11:30 AM

Room: Grand Gallery Overlook EF

**#45W9502 - Quilting Technology**

One of the most commonly overlooked but important parts of our quilts is thread! Explore the world of Aurifil threads in this informative and hands-on workshop. We'll discuss and stitch the seven weights of Aurifil, making a set of stitch sample that can be used in a resource binder. Each weight has a specific and creative use for our quilts. A trunk show of quilts made with Aurifil threads will be shown and each participant will receive a bag of groovy Aurifil swag.
