

Positive Dimensions in Appliqué

Margaret Willingham

All Levels

Friday, 8:30 am - 4:00 pm

Room: Victory Hall

#55F3101f - Appliqué

Explore the dimensional impact of positive and negative space as you bring the whimsical Spring Rains Bloom block to life by hand. Have fun creating the greenery with reverse appliqué and the petals in appliqué. Margaret's signature Trace, Baste, Snip & Stitch method is used for both appliqué and reverse appliqué. It's just a matter of knowing where to cut to create your seam allowance. Plus, get pointers on how to successfully needle-turn appliqué, giving you crisp points and graceful curves.

Registration for this workshop includes complimentary show admission for Friday.
