#55T9140t - Stitching with Style

Create tiny blocks with thread stitch-by-stitch! Lots of machine skills are covered, such as stitching with heavy thread, couching ribbon with thin thread, appliquéing with thin thread, and embellishing Prairie Points. You'll work from a kit to avoid the drudgery of finding so many supplies! This workshop is best suited for persnickety, patient quilters.

Registration for this workshop includes complimentary show admission for Thursday.
