Wednesday, 1:00 pm - 4:00 pm

Room: Team Room 2

**#55W5500 - Color & Design**

Using a variety of fabrics in various tones and values, all workshop participants will rework the same block using different directions on color, value, contrast, and fabric placement to discover how changing up these elements can transform the entire look of a block. All fabrics are brought to the workshop and put into a fabric pool. In the end, you'll be amazed how small changes can create a major impact to a block or a quilt.
