

2021 AQS Christmas Countdown

Day Fourteen

Collect the following:

(10) 2½" x 2½" Quarter Square Triangles

(10) 1½" x 2½" Red Flying Geese

(5) 2½" x 2½" Red Square in a Square

Row H Assembly

Using the diagram below, layout the units in the following order:

Sew a 2½" Quarter Square Triangle to a 1½" x 2½" Red Flying Geese. Sew this unit to the side of another 1½" x 2½" Red Flying Geese pointing the opposite direction. Complete the section by sewing on a 2½" Quarter Square Triangle.

Continue in this manner sewing the newly completed sections to the previous section until you've completed the row.

This section measures 2½" x 40½" rectangle.
