## Split Quarter Square Triangles

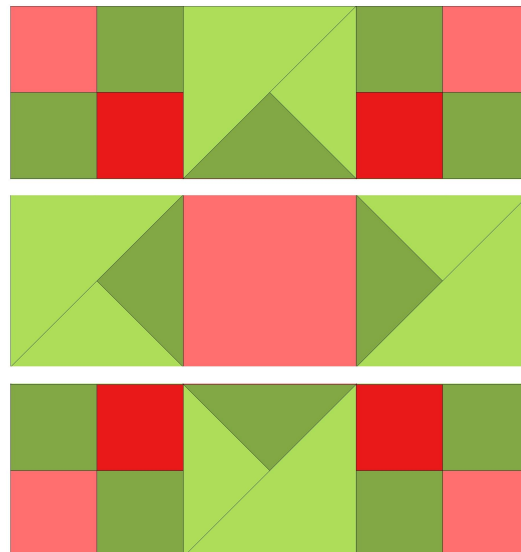

- Begin by making Half Square Triangles: Mark the wrong side of a light green  $3\frac{1}{2}$ " square in half diagonally once. Lay the marked square over a green  $3\frac{1}{2}$ " square, right sides together. Sew a quarter inch from each side of the marked line. Cut apart on the marked line.  
Make 2 light green/green Half Square Triangles.
- Mark the wrong side of a light green  $3\frac{1}{2}$ " square in half diagonally once. Lay the marked square over a light green/green Half Square Triangle, right sides together. *In the image above, the marked light green square is transparent so you can see the positioning of the Half Square Triangle below.*
- Sew a quarter inch from each side of the marked line. Cut apart on the marked center line to make two Split Quarter Square Triangles. Pop the seam in the center and press. Repeat with other Half Square Triangle and light green  $3\frac{1}{2}$ " square.  
Trim to measure  $2\frac{1}{2}$ " square.  
Make 4.
