Join Michelle Renee for an unforgettable quilting journey where you'll learn the secrets of creating stunning Wedge Star blocks without the hassle of Y-seams. Using Studio 180 Design's Wedge Star and Tucker Trimmer III tools, you'll discover a streamlined approach to piecing this complex-looking eight-point Wedge Star Block.

Kentucky Rose Garden was conceived for the 2025 AQS SEAM Quilt Retreat in Paducah, Kentucky. It reflects Michelle Renee's love for her new home state and her passion for gardening. The quilt's design celebrates the beauty of Kentucky's blooming roses and the lush green fields of bluegrass.

The eight-pointed Wedge Star Block features Diamonds displayed in vibrant shades of pink and blue green, creating a striking contrast. It features two background fabrics and a green accent fabric reminiscent of Kentucky's bluegrass. The arrangement of blocks beautifully forms multiple secondary stars, adding depth and complexity to the quilt. The Kentucky Rose Garden quilt captures the essence of Kentucky's natural beauty. The harmonious blend of colors and the intricate design create a truly captivating piece.
