#153100t - Appliqué

Circles, triangles, shapes galore! Every mandala is as unique as your fingertip. Let's dive into our creativity and create your own unique mandala kaleidoscope. This workshop is product specific to the APLIQUICK®™ tools and method for turned edge appliqué.

- You will learn how to use the APLIQUICK RODDS®™ and APLIQUICK ONE SIDED FUSIBLE®™ shapes to create perfectly turned edge appliqué resulting in a beautiful mandala kaleidoscope as unique as you are!
- We will not be sewing any of the shapes down, but Kyra will be going over different finishing methods for machine and hand sewing.
- This will be done on a 42" square background fabric.

Registration for this workshop includes complimentary show admission for Thursday.
