**#153503 - Appliqué**

There are so many elements you can add to your quilt top to give it your personal touch. Let's Dibble into some beautifully turned edge appliqué using the APLIQUICK® tools.

- Did you know that you can make English Paper Piecing with the APLIQUICK® tools, and you don't need to take any papers out?
- Then, let's Dabble into some basic hand embroidery. Kyra will demonstrate and explain some basic embroidery stitches and how to use them on your turned edge appliqué to add texture and pizzazz to your quilt!
- This is a hands-on workshop, so we will be doing turned edge appliqué using the APLIQUICK RODS®, then stitching some basic embroidery stitches.
