Carly Mul

Intermediate

Wednesday, 8:30 AM - 4:00 PM

Room: 204AB

#154101w - Fiber Art

Join Carly Mul as she introduces a fresh take on collage quilting. In this workshop, students will learn how to use solid colors to design a wall hanging with movement and dimension inspired by the unique style of renowned sculptor Yaagov Agam. Using fusible interfacing, students can create their own dynamic wall hanging. During the workshop, students will get a good start on their project, enough to finish independently. Registration for this workshop includes complimentary show admission for Wednesday.
