**#157103f - Piecing**

In this hands-on workshop, we will review and put into practice the basic piecing skills to start or refresh your quilting adventure. Why we love quilting!

**Tools Reviewed:** rotary cutter, rulers, marking, pins, snips, seam ripper, and pressing aides.

**Materials Reviewed:** fabric, threads and needles, batting, and stabilizer.

**Quilting Process:** project/pattern and fabric selection, organizing, cutting, marking, pinning, stitching, and pressing along with block, quilt center, and border assembly basics and finally tips for the finishing, quilting, and binding.

There is NO Fabric pre-cutting for this class. Proper cutting techniques are covered in class.

You will implement what you learn to create the Three-Block Friendship Star Runner, 16" x 40".

Registration for this workshop includes complimentary show admission for Friday.
