

Master Half Square Triangles (HST)
Heather Kojan

All Levels

Wednesday, 8:30 - 11:30 AM

Room: 103A

#157502 - Piecing

This skill builder workshop is focused on the most versatile building block in a quilter's bag of tricks, the Half Square Triangle. Explore ten different ways to make Half Square Triangles, learn the math behind it, and play with a collection of tools to help make these units quickly and accurately. This workshop sets beginning quilters up for success and opens a world of construction methods for advanced quilters!

Member: \$60 Retail: \$75

(Plus Material Fee)

Supplies:

A material fee is required and includes: pattern, foundation papers, handouts, and (1) Square up Ruler.

Material Fee: \$20 (payable in class, cash preferred)

Please bring the following items to class:

- **Basic Sewing Supplies**
- Choose a variety of print **OR** solid fabrics
- Background fabric (this can also be a variety of fabrics)

You will need the following:

- (2) prints and (2) backgrounds: (This needs some clarification to match the math below)
 - (2) 4" squares
 - (2) 5¾" squares
 - (4) 8" squares
 - (1) 4" x WOF (width of fabric) strip— Note: These can be cut from fat quarters: (18" x 22"), but you will need double the strips.
 - (1) 3" x WOF (width of fabric) strips – Note: These can be cut from fat quarters: (18" x 22"), but you will need double the strips.
 - (2) 3½" x WOF (width of fabric) strips – Note: These can be cut from fat quarters: (18" x 22"), but you will need double the strips.
- (2) fat quarters (18" x 22") of each print and background – creative play

Note: Look for good contrast between your prints and background fabrics
