Confidence is the key to success in Longarm quilting and the best way to gain confidence is through learning. Gina Perkes will help you discover the proper steps to take and share many tips as you embark on your new and exciting journey. Learn freehand exercises which will train you to become fluid in your free-motion quilting and how to mirror images and execute shapes with ease. Learn to love working at the front of the machine and the many benefits of doing so. In addition to learning to quilt simple yet beautiful designs, you will come away with the basic knowledge of machine setup, troubleshooting, thread and tension tips, and much more! This is a great workshop for beginners and is taught in a positive and stress-free environment.

One person per machine.

Registration for this workshop includes complimentary show admission for Wednesday.
