#159500 - Quilting Technology

Are your borders simply boring? Do you just slap on strips of fabric to add length and width to your quilt? Is your sashing simple? Take your borders from blah to beautiful and your sashing from sad to stunning with the built-in tools in EQ8. This fun workshop explores a variety of borders and border styles from pieced, Flying Geese, appliqué, checkerboard, and more. Use borders to jazz up a panel or medallion quilt. Discover creative sashing with pieced blocks and clever design ideas. Your quilts are limited only by your imagination. NOTE: This workshop moves at a faster pace than beginner EQ8 workshops. PC and Mac Users welcome.
