Hands-On Quilt Photography **Kestrel Michaud**

All Levels

Saturday, 8:30 - 11:30 AM

Room: 204AB

#159503 - Quilting Technology

Whether it's to share on social media, make a sale, or enter a show, having a photograph of your quilt is a firm requirement. If the idea of photographing your quilt is scary, if you've had difficulty taking good photos, or you've spent lots of money on a professional photographer, this workshop is for you! Students will:

- Learn the equipment needed to set up a budget professional studio
- Get hands-on practice setting up a professional studio in the classroom
- Learn the correct camera settings on both DSLR and cellphones for photographing quilts
- Practice hanging and lighting their own quilts
- Practice taking professional photographs of their quilts with their own cell phones
- Go home with a professional quilt photograph!
