Double Frame Hijinks

Ruth Ann Berry

Intermediate

Friday, 1:00 pm - 4:00 pm

Room: 101C

#16F7511 - Piecing

Take the next step up from Log Cabin blocks. Build easy blocks that create a complex double frame illusion. Start with a square block and add strips, building outward alternating complete frames with partial frames to achieve a block that has dimension. Use a "block map" to keep track of color placement and chain-piecing to speed up the construction process. Experiment with a variety of layouts to customize the final look.
