Intermediate, Advanced

Thursday, 8:30 am - 4:00 pm

Room: 203AB

#16T3101t – Appliqué

Whatever you've thought about machine appliqué before, prepare to be surprised! We will explore three innovative methods to create free-form lines and curves, all with a beautifully turned edge. While this is ultimately a machine technique, we will spend class time on preparation and complete the stitching at home.

Registration for this workshop includes complimentary show admission for Thursday.
