All Levels

Wednesday, 8:30 am - 4:00 pm

Room: 203AB

#16W3100w - Appliqué

With this wonderful Orange Peel variation, set on the traditional Ferris Wheel block, you can create the impression that there's a lot more going on here than there really is. This workshop focuses on a unique way to connect everything with amazing precision using a good basic machine appliqué technique. During the workshop, time is spent on preparation of the block. Your work will be sufficiently glue-basted and completely ready to stitch when you get home!

Registration for this workshop includes complimentary show admission for Wednesday.
