Room #201AB

#17512 - Piecing

Welcome to the Lovely Liberty Lemoyne workshop. Take your Lemoyne Stars to the next level with the Lovely Liberty Lemoyne. This class is a technique building class and will teach you how to utilize Studio 180 Design's Rapid Fire Lemoyne Star® and Tucker Trimmer III® to make these fantastic Liberty Lemoyne Stars. With this process and the Rapid Fire Lemoyne Star® tool, you will be able to oversize the units or strip piece oversized units, and then trim to perfection, to increase the speed, accuracy, and enjoyment when making this Lemoyne Star variation. You can elect to make just a few blocks in class, to learn the technique, or complete the optional table runner included in the class handout. Additionally, Michelle will bring other patterns that utilize this fantastic block in case you just can't stop making them! Take your skills to the next level!
