

Florals, Freehand and Fun on the Longarm!

Bethanne Nemesh

Beginner, Intermediate

Wednesday, 1:00 - 4:00 p.m.

Room #102AB

#18507 - Quilting/Finishing-LONGARM

Transform your knowledge of how a feather spine is created and learn how to substitute an endless variety of floral elements from holly and berries to wildflower meadows. Give each of your quilts a personalized quilted motif and gain freedom from commercial designs. No natural drawing ability is needed! Turn familiar swirls and curves into flowing organic motifs to make each quilt shine. Based on Bethanne's popular iQuilt class, "If You Can Feather, You Can Freehand," you will never again suffer from "stand and stare," rely on an inset pattern, or be limited by your pattern library! Two people per machine.
