**Heirloom Feathers & Background
Techniques (Lecture/Demo)**

Cindy Needham

All Levels

Wednesday, 9:00 a.m. - 12:00 p.m.

Room: Fall Creek

#22501 - Lecture/Demo

One of Cindy's most popular 2-day workshops is devoted to feathers and backgrounds. She has taken only the lectures and condensed it into this 3 hour class. She teaches very basic feathers and how to embellish and add your own details. Then we move on to beautiful backgrounds! Lots of beautiful class samples are available. Class handbooks are provided on a thumb drive. Paper handouts are also provided.
