#22502 - Lecture/Demo

Take quilts to the next level by adding depth, texture, and sparkle. This lecture explores both the supplies and techniques to help you develop new ways to express your creativity. Learn how to use Inktense Pencils/Blocks, paints, cheesecloth, wool roving, and novelty fibers to embellish your work. See old techniques such as ruching, couching, stenciling, and weaving made new again in a fun, easy way. Leave with a packet of resources and an embellishment tool to get you started. Supplies are not required for a lecture, although you may want to bring a pen and paper to take notes.
