#22502 - Lecture/Demo

In this informative lecture/demo, you will learn how to turn finished blocks into stunning quilts. Nancy will show you how to use a variety of quilt settings to achieve different looking quilts. She will then demonstrate how to change it up by adding pieced sashing. Instead of plain borders, learn how to add pieced borders that fit correctly. Finally, see how to add a flourish to the edges of your quilts using a variety of binding techniques. Supplies are not required for a lecture, although you may want to bring a pen and paper to take notes.
