Fast and Fun Foundation Piecing  
Gail Garber**

All Levels

Room: Short Creek 4

**#27111f - Piecing**

Students will learn freezer paper foundation piecing while stitching this Alaska inspired circular wall hanging. Made from 4 different blocks and one fussy-cut center design, it includes a tiny tree, a little house, and a mountains and valleys outer border. Gail stitched her Midnight Sun using scraps from her stash, except for the outer border hand-dyes. Gail has a small selection of fat quarters, some fussy cuts, and some fat eighth packs of hand-dyes if you would like to pre-order those. Registration for this class includes show admission for Thursday.
