Cooper Creek 2

**#27505 - Piecing**

The name says it all, Simplicity! In class, we will start with the Chain Plus block and progress to each star block. Simplicity has a total of 5 different blocks. During class time, Nancy will demonstrate different piecing techniques, and an alternate method for each block. You will learn each technique and decide which one is your favorite, while learning how to apply to other quilt patterns.
