

## Ring Around the Four Patch

Lynn Wheatley

Beginner, Intermediate

Saturday, 8:30 - 11:30 a.m.

Room: Cooper Creek 1

**#27521 - Piecing**

Intrigued by Miniature Quilts? Come join Lynn to learn the tips and tricks to make Ring Around the Four Patch, a Miniature Quilt designed by Katrina Thomas of The Hope Chest Quilting. Featuring the Shaded Four Patch Block, you will learn the technique of creating them two-at-a-time and trimming them down to perfection using the Tucker Trimmer I™ tool by Studio 180 Design. The blocks are set to form radiating rings and finished off with two small borders. This is a great project to use up small scraps or use a defined colorway for the radiating rings. The class will include step-by-step use of the Tucker Trimmer I™ tool, as well as tips on piecing and proper pressing techniques to make this quilt perfect. Additionally, we will talk through the appropriate border prep and application and ways to improve your general machine piecing. You will leave class with everything needed to complete Ring Around the Four Patch with ease. Project Size: 16" x 16".
