**#28525 - Quilting/Finishing-
DOMESTIC MACHINE**

This class is a fast and fun approach to learning basic free-motion quilting on your home machine. It uses a series of quilt sandwiches specifically chosen to teach the rhythm and movement that makes free-motion quilting so much fun. You will learn how to find your own rhythm without a stitch regulator. David discusses thread types, tension, and burying the thread ends. This is a wonderful beginner's class for learning free-motion quilting.
