In this one hour lecture, Heidi will share how she creates different styles of mosaic quilts. First, explaining how she works from her own photographs to make figurative and non-figurative mosaic quilt designs, Then, how she draws upon ancient tile artwork reimagining her own Moroccan mosaic tile quilt designs. She'll discuss both traditional and innovative methods for drawing and tracing designs and fabric cutting techniques. Lastly, she'll share some of her tips for professionally finishing a mosaic quilt. This lecture will give you just enough insight into Heidi's creative and inspirational mosaic quilt making process to make you want to learn more. Supplies are not required for a lecture, although you may want to bring a pen and paper to take notes.
