

Maltese Cross: Turned-Edge Machine Appliqué

Karen K. Stone

All Levels

Wednesday, 8:30 a.m. - 4:00 p.m.

Room: Jefferson Room

#33101w - Appliqué

Typically pieced, this historic block's chunky curves lend themselves beautifully to Karen's turned-edge machine appliqué, and to unusual fabrics, such as these upcycled silk and poly neckties. So bring on the weird stuff! Or the normal stuff - either way, you'll have fun. Join Karen for the day to be creative, have fun, and learn an amazing appliqué technique you can use again and again. Registration for this class includes show admission for Wednesday.
