LocoMotion and Gridified Art Quilts
Ricky Tims

All Levels

Tuesday, 1:00 - 4:00 p.m.

Room: Eisenhower Room

#342501 - Special Events

This lecture/demo class (there's no sewing) is that jammed packed with the design information, techniques, and color syllabus of Ricky's two newest and most popular quilting processes. Locomotion is free-flowing designed pieced using his no-pins precision curved piecing method; and Gridified Art Quilts is a delightful process of using theme blocks mixed with traditional blocks to create stunning pictorial quilts. This is a glorious blend of traditional and contemporary processes that offer no-fail results.
